

# Uniontown Regional Holiday Lighting Challenge Report

In December 2019, the Uniontown Community Development Association (UCDA - <https://uniontownwa.org/community-development/>) challenged all residents and property owners in and around Uniontown, Colton and Johnson to show off their “Holiday Spirit” and decorate their properties. This was the beginning of the First Annual “Uniontown Regional Holiday Lighting Challenge”.

While we got off to a late start, we did get 2 business entries and 6 residential entries, and more than that in donated prizes. Pictures of all entries were posted on the *Facebook Discover Uniontown* pages. Gift certificates were donated from local businesses in Uniontown, Colton and Pullman.

We would like to thank everyone who entered the challenge and the businesses who donated the gift cards. A special thanks goes to UCDA board members, Ashley Alred, who originated the idea, and Marilyn Burg, who gave the name “challenge” to the event. We hope to make this an annual event and promise to announce it earlier in coming years and expand publicity so more can enter.

Prizes and businesses that donated are listed below. Prizes will be given out at UCDA meeting in January or mailed to the recipients. Letters acknowledging donations and documenting their tax deductible status will be sent to all donors.
